L031: Bearings and scale drawings

## F1

Tomorrow enlarge (6,8) by  $\frac{1}{2}$  about origin.

---

---

---

---

## F2

Before L031, convert 2 km to cm and find 1 cm on a 1:50 000 map in metres.

---

---

---

---

## Read before the next lesson

A bearing is measured clockwise from north at the starting point and written using three digits.

Scale drawings convert real distances to paper lengths using a consistent scale.

Bring your methods and one question. Retry F1 in one week.
