Total 15 marks. Award the listed components independently. Accept equivalent accurate wording and valid examples; a category label alone is not a developed explanation.

Question 1 [2]

1 for one person alone or a co-resident group; 1 for shared cooking and living/sitting/dining facilities for a group.

Question 2 [3]

1 for an accurate distinction, 1 for a relevant example and 1 for the implication. Distinguish broader sociological relationships from the ONS rule where relevant.

Question 3 [1]

Operational definition.

Question 4 [4]

A: one household (1), one family (1). B: one household (1), no family under the stated rule (1).

Question 5 [2]

1 for a relevant limitation, such as care across addresses or unmeasured relationships; 1 for explaining how the membership count misses it.

Question 6 [3]

1 for the separate residential situation, 1 for recognising continuing family ties in a wider meaning, 1 for explaining that a residential family rule and a care-based definition capture different things.

Feedback action

Q1–2: separate residential membership from a stated relationship rule. Q3–4: practise applying one rule consistently. Q5–6: draw two addresses and a care link, then explain what the residential measure misses.
